The Calling Lab

- ◆ **What?** The Calling Lab
- ◆ **Why?** Do you want to know how your story fits in with God's story? Do you want to be more in tune with who He made you to be? Are you looking for more purpose in your Christian walk? We want to invite you to a six session experience that will help you zero in on what God's call on your life looks like and how you can lean into it. We will have six different facilitators lead us through six different aspects in the search for calling.
- ◆ **When:** The Calling Lab starts Tuesday, September 13th and will run the following consecutive 5 Tuesdays. We will meet here at the church from 6pm-8pm.
- ◆ **Where?** We will meet here at the church on the Family Center side of the building
- ◆ **Who?** There are no prerequisites for the Calling Lab. Anyone in any phase of life interested in learning more about themselves, God, and how life together works should sign up. You won't regret it. As we continue to offer this experience we will cap class attendance at 20 for each individual class.
- ◆ **How?** Reach out to Brandon through your preferred method. He'll answer any questions and make sure you're all set.

NEWS & INFO

School Supplies: As school is starting up, we know that buying new school supplies could be costly. We never want our kids to not have the materials they need for school. If you need assistance to get your child school supplies, let us know! We would gladly help!

Safety Reminder: You must have your guardian tag that is printed off at check-in in order to pick up your child from any classroom on Sunday mornings.

We are getting back to the normal routine of things! One of the changes we have this year is that Roots will be meeting on Sundays from 6 pm—8 pm. The first half hour will be a time to hang out. It also is an opportunity for those that are interested to get together and pray. If you have any questions, please let me know.

We want our families to be equipped to teach their children about God's Word and His truth. Therefore, we have created a "Faith At Home" resource library in the Atrium. If you are desiring to lead your family spiritually, but you are unsure how, check out our new resources! You can check out the books, and return them when you are finished. We will continue to add resources as we find them.

If you are not receiving updates about Roots, please let Brock know! We are building our database and want to be sure we have the information needed.

We are beginning to send out Family Pages with our students on Sunday mornings! Family Pages are sent home each week to encourage further family discipleship to happen throughout the week. The pages help guide deeper conversations within your family about what your students learned this Sunday.

THE BRIDGE

We had an awesome night for Bridge!! We played some awesome games in neon, ate awesome nachos, and talked about our role in school! If you would like to join us next time, we will be meeting August 24th from 6:30 PM—8 PM.

If you are not receiving updates about Bridge, let Brock know. He wants to make sure everyone is on the list!

Mark your calendars! Our next Child Dedication will be on October 2nd, 2022. If you have a child that you wish to dedicate, please pick up a child dedication form at the Children's check-in desk. We would love to partner with you in raising your child to know the Lord!
